

PPE PREPARATION

In preparation for the 2020-2021 school year KIPP Massachusetts has ordered the following for ALL campuses

1 REUSABLE & DISPOSABLE MASKS FOR ALL

We have ordered nearly 12K reusable masks, including clear masks, for everyone. We have also ordered nearly 2000 disposable masks

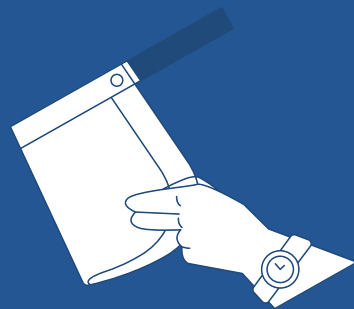

2 DISPOSABLE GLOVES & GOWNS

We have ordered nearly 1500 gloves and over 100 gowns for emergency use

3 SAFETY GLASSES AND FACE SHIELDS

We have ordered hundreds of face shields for adults and students as well as safety glasses

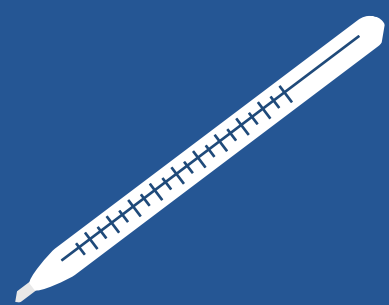

4 QUARANTINE ROOM

Each school has created at least one quarantine room for sick students

5 THERMOMETERS

We have purchased dozens of no touch thermometers per school as well as an automatic thermometer scanner for staff at each campus.

6 TOUCHLESS SYSTEMS

We have upgraded our sinks, toilets, urinals, and some water fountains to be touchless on every campus

7 STUDENT DESK SHIELDS

We have purchased desk shields for students who cannot wear a mask or for providers who will need to be in close contact with a student without a mask.

8 FACILITIES UPGRADES

Our HVAC was evaluated and approved as meeting current standards. Glass shields have been installed in our front desk as well as our cafeteria area. We have also purchased multiple mobile air purifiers for each building.
