Additional participants: *Coretta Martin, Meg MacIlvain, Emily Rodriguez, Danielle Duran*

The following committee members were not present: *Doug Borchard*

The meeting was called to order at 1:15pm.

1. Introductions: The committee members and attendees introduced themselves to one another with a special focus on their backgrounds, education, and expertise. Coretta Martin framed that the purpose in these introductions were to discuss the skillsets that exist within the committee as they would be discussing who else would be good for recruitment to the committee.
2. Recruitment: The committee discussed the missing skillsets within the team. The conversation was primarily around non-traditional academic areas like the Related Arts, Career Development, Technical Skills, and Post-Secondary expertise. The committee also discussed missing identities and the importance of having family, student, and teacher voices as we discuss academics, teaching, and learning at KIPP MA.
3. Goals: The Committee reviewed the recommended goals for the committee and plan to discuss more in future meetings.

The Committee Meeting closed out at 2:10pm.
